

## MAJOR OVER MINOR

This walk is meant to happen at your own pace. If there are places along the way you want to stop and relax-feel free to do so. It is also meant for open eyes, not just looking in front of you but behind you, above you and below you, noticing what is around you, the patterns of the trees, the water, the traffic, and the people.

## DIRECTIONS

- Walk over yellow bridge.
- At end of bridge turn left-walk down Dan Leckie Way towards water.
- Cross one street, to left is park with red canoe -walk up walkway to red canoe
- Take dirt path at canoe or walkway back to Dan Leckie Way continue towards water. Cross Lakeshore
